ANYTIME CASH PRIZE PROGRAM

- Customize your fundraiser anytime of year with 2% cash back!
- Popular choice when the students are raising money for a specific activity directly related to their own expenses.
- At the discretion of the teacher/director, your group may decide to use the cash incentive to provide alternative prizes for the students – for example: a dance party, limo ride, lunch, movie passes, etc… at the end of the event for all students who attained a specified sales level.
- Cash incentive is an additional 2% discount subtracted from your total invoice. The amount is not calculated per student.
