We’re right in your backyard but we work with schools and groups nationwide. Let us take you behind-the-scenes to our warehouse and show you how we provide such amazing service each and every time to schools and groups all across the country.

Meet the Team

Each and every one of us here at Believe Kids want to show you what the Believe experience is all about. We are a humble group of hard-working folks with one mission:

‘To provide you the most amazing fundraiser - ever!’

If you’ve had a chance to read any of our un-moderated comments on our website or have heard feedback first-hand you know we organize our fundraisers for your success! Come and meet the amazing team that makes this happen so seamlessly for you.

Enjoy some Treats

Join us for snacks and beverages. Everyone attending will receive a gift bag and product samples. Also, take a peek at our 20 passenger Escalade Limo! It’s a great incentive and the kids love it! We are the coolest fundraising company around so you will have fun - guaranteed!

Find Out Why we Make it So Easy

We make things easy because we know that time is at a premium these days. We started by refining our systems to provide only what works best in a way that limits the amount of time required to succeed. We will happily show you how we simplify the process.

In the spirit of keeping things simple, the open house will be from 11 AM - 2 PM on Thursday February 18th. We have a relaxed dress code here so come as you are.
